CCEBDM Workshop - Trichy

## ADDITIONAL CAPACITY BUILDING INITIATIVES

PUBLIC HEALTH FOUNDATION OF INDIA

By Dr. M. Shunmugavelu and Dr. B. Bosco

23<sup>rd</sup> December 2012

## *Evidence Based Diabetes Management Workshop*

Trichy Specialty Diabetic Centre, organized a workshop under Public Health Foundation of India's '***Certificate Course in Evidence Based Diabetes Management***' to leading physicians in Trichy. The workshop was conducted by PHFI CCEBDM Regional Faculty **Dr. M. Shunmugavelu and Dr. B. Bosco** apprising leading physicians in the region on latest developments in the field of diabetes management. The main objective was to disseminate and discuss the science behind incretin based therapies in the management of Type 2 Diabetes Mellitus with specific focus on DPP-4 Inhibitors".
